Soccer experience necessary. U6, U8, & U10 make up most of the SRSC members.

For interested parents, we have a coaching training program, paid for by SRSC.

Thank you to Olivia Murphy from Mooney. Olivia has been helping supply SRSC with referees.

We are currently looking for more referees. If you know anyone that would like to referee, we have a referee training program, paid for by SRSC.

## **Current Concerns:**

### **7 Questions regarding some kids / teams and why they did not go competitive:**

Our coaches held a meeting prior to the season and decided that SRSC had too many young children.

Decided children needed to grow, play locally and continue to give them a chance to thrive.

This decision made by the coaches turned out to be a very positive one.

We feel our coaches made the best decision for SRSC.

### **8 Separating U14 and U15 Boys' & Girls' Teams:**

Trish Irons began discussion regarding concern for separating boys' and girls' U14 and U15 teams.

SRSC would need to recruit more players, retain participation & have early registration.

Flyers for all elementary and middle school students will be handed out during school week following Spring Break 2020, (Spring Break: April 10 -17). WebberSites will create flyers.

SRSC wants to make our declaration much earlier, last week of July to first week of August.

One general form and submission day has been mandated.

All subs need to be disclosed.

### **9 SRSC Land, Field Maintenance & Goals:**

U10 and U12 field sizes and goals need improvement.

If Salem implements new policy changes for 2020, we will need new goals and separation of fields.

For competitive purposes, we need to keep up with regulations.

There is a need to level land and further field maintenance, as well as parking lot maintenance.

Goals with wheels may be a good option.

## **New Initiatives for 2020:**
